I. Objectives & Main principles of START

I. Objectives & main Principles of START

Recommendation of NCPs, July 2013:

- Need to provide “**Seed Money**” as financial instrument to support project ideas in the Danube Region is high

Objective of START

- **Kick-start project development** in the Danube Region
- Facilitate the **financing of transnational projects** (preparation activities, finding project partners, etc.) and also of **smaller projects**
- Help organisations and institutions develop and implement their project ideas (small organisations, NGOs, etc.)

Main Principles

- **Pilot initiative**

A flexible approach is used and adaptations may be brought during implementation

- **Seed money**

Beneficiaries receive a large **pre-financing** at the beginning of the project implementation (50%) and if approved, a second rate at midterm (25%)

II. Facts & Figures 1st Call

II. Facts & Figures 1st Call (I)

START Grant:

- Total: **€ 900.000,00** (95% financed by EU, 5% financed by the City of Vienna)
- Min. **€ 10.000,00** - max. **€ 40.000,00** / project
- Max. **90%** of total project budget

START Projects:

- Applications received: **872**
- formally correct applications: **652**
- Projects selected: **25**
- Lead Partners of **12** different countries (no LP from Moldova and Montenegro)
- **127** Project Partners from all **14** Danube Region Countries

Results:

- Large interest for START from the **entire Danube Region**
- High **engagement of many organisations** (esp. NGOs) and innovation potential in the Danube Region
- **Need for simple and small funding schemes** (often not available in EU programmes) is high

 - See also **Schedule 3: Eligibility rules and declaration of expenses p. 8-9**

VI. The final START Amount & payments

VI. The final START Amount & payments (I)

Final START Amount

- The calculation of the **final START amount** is based on
 - ✓ **the budget agreed on in Schedule 2** of the Grant Agreement
 - **START Contribution Amount in €**
 - **Max. %** of the START contribution in relation to the total Budget
 - ✓ **Total project expenditure certified after the project is completed**

- To avoid profit, the START amount is the smaller amount of the following 3 possible amounts:
 - a) The **START amount in €** as defined in the Grant Agreement/Project Budget Plan
 - b) The **share of the START amount in % of the Total Project Budget** as defined in the Grant Agreement/Project Budget Plan
 - c) **Total Eligible Project Expenses minus any Third Party Contributions**
(=dedicated project funding by other donors and/or any profit generated by the project)

VI. The final START Amount & payments (II)

Example: Scenario a)

Costs	% of total Costs	Planned amount
a) Personnel costs	44,44%	€ 20.000,00
b) Travel and accommodation costs	33,33%	€ 15.000,00
c) Meeting and event costs	11,11%	€ 5.000,00
d) External services	11,11%	€ 5.000,00
Total costs	100,00%	€ 45.000,00

Funding source	% of total Funding	Planned amount
a) START contribution*	77,78%	€ 35.000,00
b) Co-financing	22,22%	€ 10.000,00
b) 1. Third Party Contributions		€ 5.000,00
b) 2. Project Partners Contributions *		€ 5.000,00
Total Funding	100,00%	€ 45.000,00

- Total project budget according to the Project Budget Plan is **€ 45.000,00**
- To implement the project **€ 46.000,00** were necessary and certified as eligible expenses in the end.
- The calculation is done as follows:

		€ 46.000,00	Total certified project expenses after the project is completed
scenario a)	35.000,00		The START amount in € as defined in the Project Budget Plan
scenario b)	35.820,20		The share of the START amount in % of the Total Project Budget as defined in the Project Budget Plan (77,78% of € 46.000,00)
scenario c)	41.000,00		Total Eligible Project Expenses minus any dedicated project funding by other donors (Third Party Contributions) and / or any profit generated by the project. (€46.000,00 - €5.000,00)
			Scenario a) is the smallest amount

→ See also “Project Implementation Guidelines” p. 10

VI. The final START Amount & payments (III)

Example: Scenario b)

Costs	% of total Costs	Planned amount
a) Personnel costs	44,44%	€ 20.000,00
b) Travel and accommodation costs	33,33%	€ 15.000,00
c) Meeting and event costs	11,11%	€ 5.000,00
d) External services	11,11%	€ 5.000,00
Total costs	100,00%	€ 45.000,00

Funding source	% of total Funding	Planned amount
a) START contribution*	77,78%	€ 35.000,00
b) Co-financing	22,22%	€ 10.000,00
b) 1. Third Party Contributions		€ 5.000,00
b) 2. Project Partners Contributions *		€ 5.000,00
Total Funding	100,00%	€ 45.000,00

- Total project budget according to the Project Budget Plan is **€ 45.000,00**
- to implement the project only **€ 30.000,00** were necessary and certified as eligible expenses.
- The calculation is done as follows:

		€ 30.000,00	Total certified project expenses after the project is completed
scenario a)	35.000,00		The START amount in € as defined in the Project Budget Plan
scenario b)	23.334,00		The share of the START amount in % of the Total Project Budget as defined in the Project Budget Plan (77,78% of € 30.000,00)
scenario c)	25.000,00		Total Eligible Project Expenses minus any dedicated project funding by other donors (Third Party Contributions) and / or any profit generated by the project. (€46.000,00 - €5.000,00)
		Scenario b) is the smallest amount	

→ See also “Project Implementation Guidelines” p. 10

VI. The final START Amount & payments (IV)

Example: Scenario c)

Costs	% of total Costs	Planned amount
a) Personnel costs	44,44%	€ 20.000,00
b) Travel and accommodation costs	33,33%	€ 15.000,00
c) Meeting and event costs	11,11%	€ 5.000,00
d) External services	11,11%	€ 5.000,00
Total costs	100,00%	€ 45.000,00

Funding source	% of total Funding	Planned amount
a) START contribution*	77,78%	€ 35.000,00
b) Co-financing	22,22%	€ 10.000,00
b) 1. Third Party Contributions		€ 5.000,00
b) 2. Project Partners Contributions *		€ 5.000,00
Total Funding	100,00%	€ 45.000,00

- Total project budget according to the Project Budget Plan is **€ 45.000,00**
- due to any circumstances (e.g. some activities were not implemented, documentation of expenses was not sufficient, etc.) only **€ 20.000,00** were certified as eligible expenses.
- The calculation is done as follows:

		€ 20.000,00	Total certified project expenses after the project is completed
scenario a)	35.000,00		The START amount in € as defined in the Project Budget Plan
scenario b)	15.556,00		The share of the START amount in % of the Total Project Budget as defined in the Project Budget Plan (77,78% of € 20.000,00)
scenario c)	15.000,00		Total Eligible Project Expenses minus any dedicated project funding by other donors (Third Party Contributions) and / or any profit generated by the project. (€46.000,00 - €5.000,00)
			Scenario c) is the smallest amount

→ See also “Project Implementation Guidelines” p. 10

VI. The final START Amount & payments (V)

Payments
